

Submission form for damaged Austrian schilling banknotes

(e.g. burnt, torn, bleached, tinted, decomposed, laminated banknotes)

Applicant details	Name/company ¹ :
	Contact person ¹ :
	Phone number ¹ :
	E-mail address:
	Postal address ¹ :
	Zip code and town/city ¹ :

Damaged Austrian schilling banknotes		
Number of banknotes ¹	Face value ¹	<p>It is not necessary to provide the serial number of each damaged banknote.</p> <p>If the banknotes are kept in wallets, metal boxes or similar containers, please leave them in there and submit the entire item. This often makes processing easier and protects the banknotes during transport. Please submit all banknote parts and fragments, even tiny ones. Please make sure that severely damaged (e.g. charred) banknotes are securely wrapped to avoid further damage.</p>

Information about the damage ¹ (when, how, by whom) <small>If necessary, please provide additional information in a separate document.</small>	
Information about missing banknote parts ¹	

WAIVER OF CLAIMS: By signing this submission form I agree that the damaged banknotes I submitted will be analyzed and reconstructed in my absence. The actual total value of the banknotes submitted will only be determined by the OeNB after reconstruction and counting. I fully and unconditionally accept that this value may deviate from the value I provided in this form.
