The impact of EU institutional arrangements on debt developments in non-EU countries

Belma Čolaković

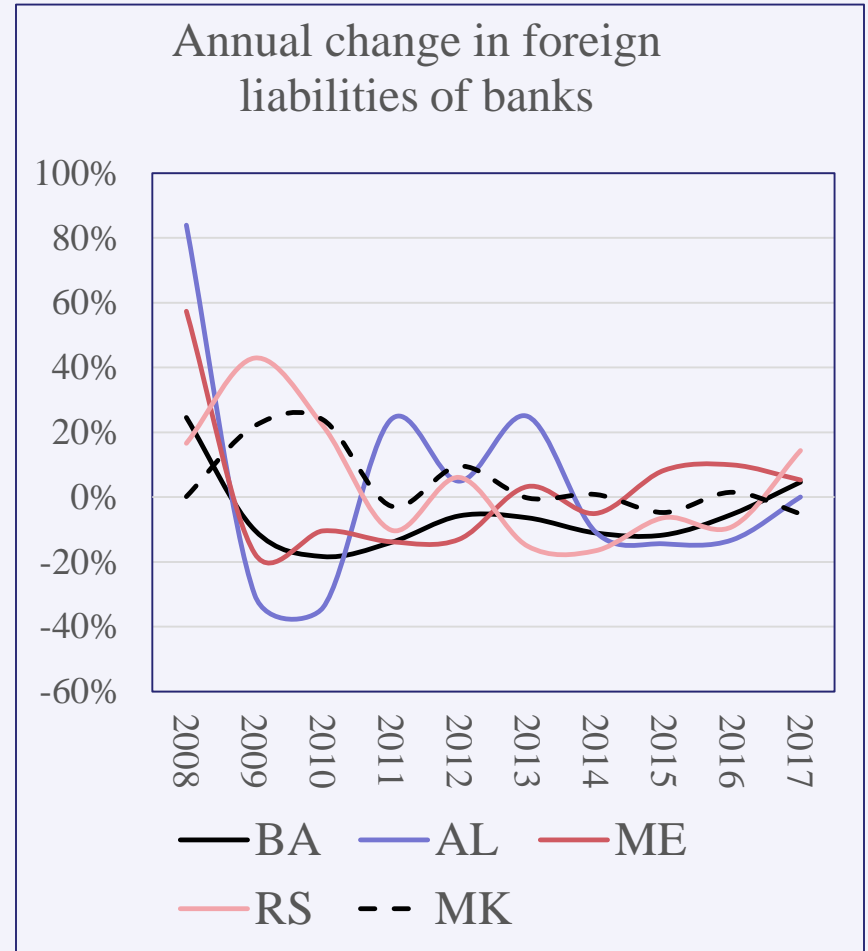

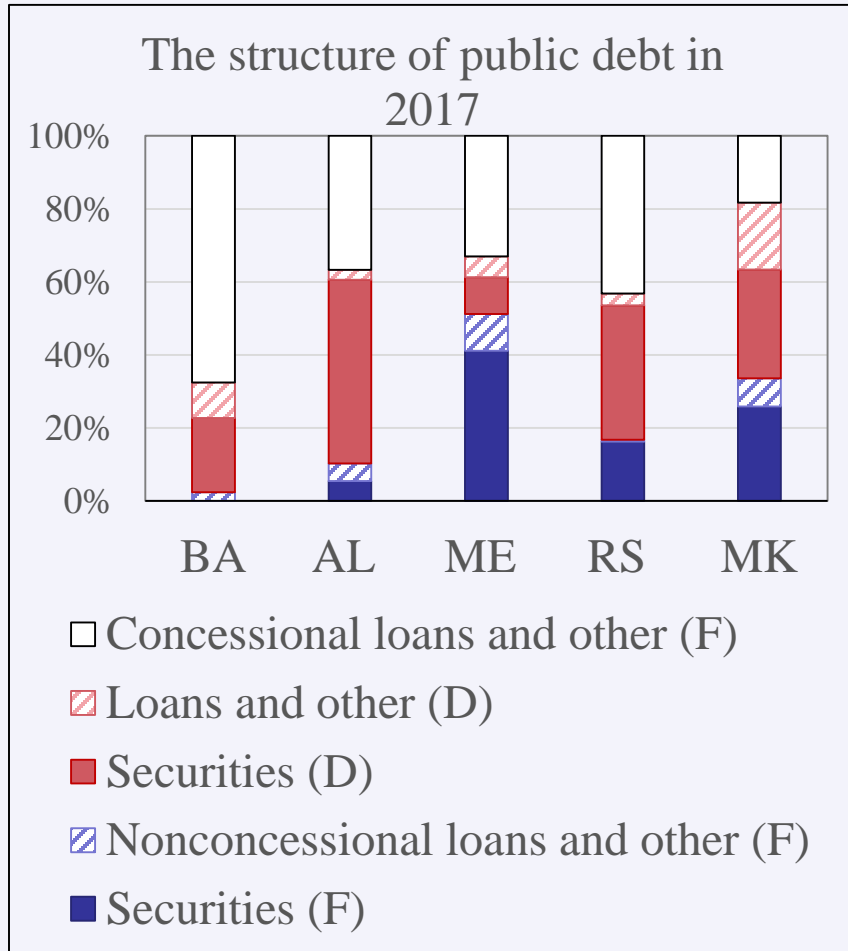

The views and opinions expressed in this presentation are those of the author, and do not necessarily reflect the position of the CBBH.

CRD IV - Capital Requirements Regulation (CRR) - 575/2013

- Article 114

Exposures to central governments and central banks shall be assigned a 100 % risk weight, unless the treatments set out in paragraphs 2 to 7 apply (i.e. exposures to central governments and central banks for which a credit assessment by a nominated ECAI is available could be lower).

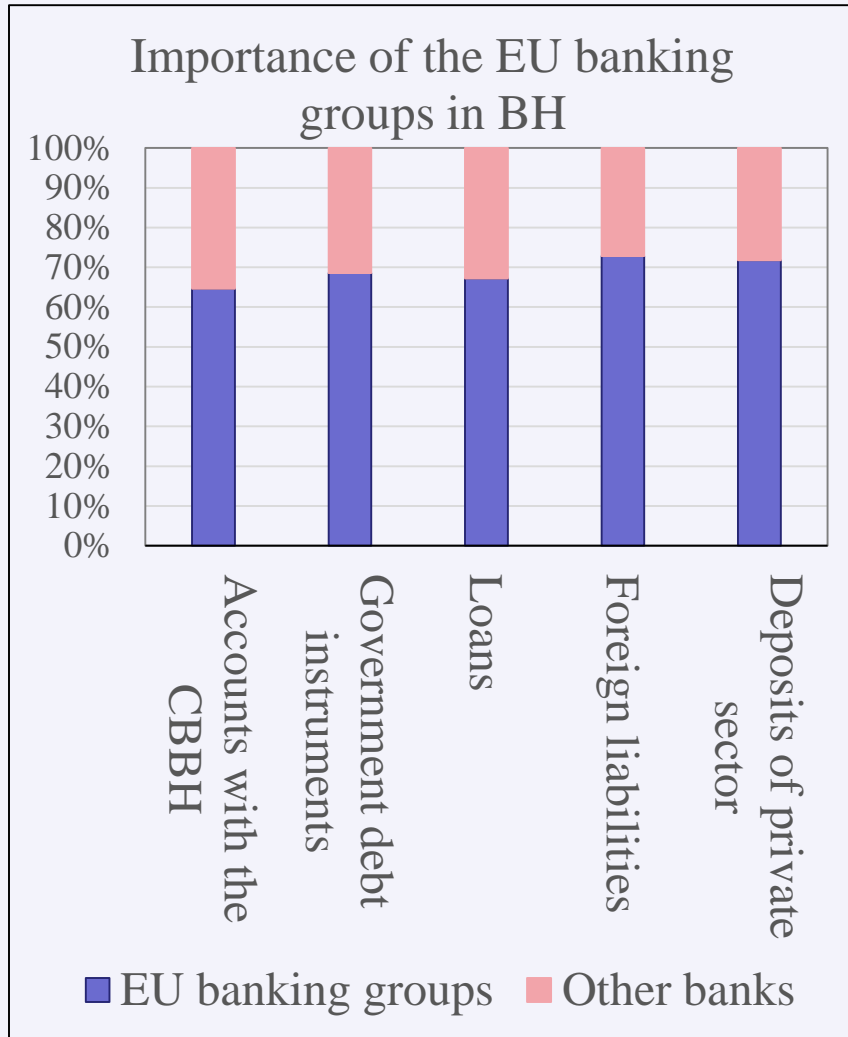

What is affected in the non-EU Western Balkans
