**Geschäftsbericht (Nachhaltigkeitsbericht)**
**Annual Report (Sustainability Report)**

This report informs readers about the Eurosystem’s monetary policy and underlying economic conditions as well as about the OeNB’s role in maintaining price stability and financial stability. It also provides a brief account of the key activities of the OeNB’s core business areas. The OeNB’s financial statements are an integral part of the report.

**Konjunktur aktuell**

This online publication provides a concise assessment of current cyclical and financial developments in the global economy, the euro area, Central, Eastern and Southeastern European countries, and in Austria. The quarterly releases (March, June, September and December) also include short analyses of economic and monetary policy issues.

**Monetary Policy & the Economy**

This publication assesses cyclical developments in Austria and presents the OeNB’s regular macroeconomic forecasts for the Austrian economy. It contains economic analyses and studies with a particular relevance for central banking and summarizes findings from macroeconomic workshops and conferences organized by the OeNB.

**Fakten zu Österreich und seinen Banken**
**Facts on Austria and Its Banks**

This online publication provides a snapshot of the Austrian economy based on a range of structural data and indicators for the real economy and the banking sector. Comparative international measures enable readers to put the information into perspective.

**Financial Stability Report**

The Reports section of this publication analyzes and assesses the stability of the Austrian financial system as well as developments that are relevant for financial stability in Austria and at the international level. The Special Topics section provides analyses and studies on specific financial stability-related issues.

**Focus on European Economic Integration**

This publication presents economic analyses and outlooks as well as analytical studies on macroeconomic and macrofinancial issues with a regional focus on Central, Eastern and Southeastern Europe.

**Statistiken – Daten & Analysen**

This publication contains analyses of the balance sheets of Austrian financial institutions, flow-of-funds statistics as well as external statistics (English summaries are provided). A set of 14 tables (also available on the OeNB’s website) provides information about key financial and macroeconomic indicators.

This online newsletter informs international readers about selected research findings and activities of the OeNB’s Economic Analysis and Research Department. It offers information about current publications, research priorities, events, conferences, lectures and workshops. Subscribe to the newsletter at:

CESEE Research Update

This online newsletter informs readers about research priorities, publications as well as past and upcoming events with a regional focus on Central, Eastern and Southeastern Europe. Subscribe to the newsletter at:

OeNB Workshops Proceedings

This series, launched in 2004, documents contributions to OeNB workshops with Austrian and international experts (policymakers, industry experts, academics and media representatives) on monetary and economic policymaking-related topics.

Working Papers

This online series provides a platform for discussing and disseminating economic papers and research findings. All contributions are subject to international peer review.

Proceedings of the Economics Conference

The OeNB’s annual Economics Conference provides an international platform where central bankers, economic policymakers, financial market agents as well as scholars and academics exchange views and information on monetary, economic and financial policy issues. The proceedings serve to document the conference contributions.

Proceedings of the Conference on European Economic Integration

The OeNB’s annual Conference on European Economic Integration (CEEI) deals with current issues with a particular relevance for central banking in the context of convergence in Central, Eastern and Southeastern Europe as well as the EU enlargement and integration process. For an overview see: http://www.oenb.at/en/Publications/Economics/Conference-on-European-Economic-Integration-CEEI.html The proceedings have been published with Edward Elgar Publishers, Cheltenham/UK, Northampton/MA, since the CEEI 2001.
