

About SUERF – The European Money and Finance Forum

SUERF stands for “Société Universitaire Européenne de Recherches Financières”, the original name under which SUERF was established in 1963 in France. It is an independent and non-partisan member association, whose strength lies in bringing together three pillars of members: central banks and supervisors, financial industry representatives and academic researchers. For more than 50 years, SUERF has been dedicated to the analysis, discussion and understanding of European financial markets and institutions, the conduct of financial regulation, financial supervision and monetary policy. SUERF’s main activities are events, publications and the support of young researchers, and is governed by its Council of Management, which includes senior representatives from central banking, the financial industry and academia. The Oesterreichische Nationalbank has hosted the SUERF Secretariat at its premises in Vienna since April 1, 2000.
